

Fast-Paced Program

Behavioral Code of Expectations for Students

The goal of the Fast-Paced Program is to provide students with high quality and challenging academic experiences that expand their knowledge and confidence. The College of Lake County fosters a supportive environment where all students are expected to maintain orderly, civil and safe decorums. Please reference the college's Student Rights and Responsibilities Policy. The policy can be found at <http://www.clcillinois.edu/aboutclc/depts/ssd/student-rights-and-responsibilities> or by request at the address below.

Fast-Paced students must work toward standards of behavior based on the following principles:

Parent should discuss the College's policy and the principles above.
