

College of Lake County
Fast-Paced Program for Gifted Students in Grades 6-8
Code of Conduct

The Fast-Paced Gifted Program for Grades 6-8 is designed to give gifted middle school students an opportunity for academic enrichment with their Lake County peers. The College of Lake County (CLC) delivers an inclusive and safe environment where every student and instructor is treated with respect and dignity.

There are five standards in our inclusive environment that define behavior:

Please review the standards above and the information on the next page with your Fast-Paced student. You must sign and submit the following page to acknowledge that you and your child agree to the code of conduct.

I understand the following consequences of student behavior outside the aforementioned expectations:

➤ Verbal Altercation:

1st Offense

- Student will receive a verbal warning and be dismissed from the rest of the day's class.
- Student's parents will be called to pick up student immediately.

2nd Offense – Dismissal from program

- Student's parents will be called to pick up student immediately.
- Student will not be allowed to return to the program. There will be no refund.

➤ Bullying or physical altercation (any instance of aggressive, defiant or violent behavior):

1st Offense:

- Aggressor will be dismissed (expelled) from program immediately. Student's parents will be called to pick up student immediately.
- Student will not be allowed to return to the program. There will be no refund.

I understand that use of cell phones and other electronic devices is not permitted by students while they are signed in for Fast-Paced. All devices must be silenced, turned off and stored out of sight. A device (cell phone, Chromebook, laptop, tablet, etc.) may only be used for classroom work at the specific direction of the instructor. Once that work is completed the device must be put away.

Following the first verbal warning, a device will be confiscated until the end of the class period. The device will be returned to the student's parent at sign-out.
